

How do I get registered for a non-credit or continuing education class?

Norfolk campus held classes should call or stop into the Registrar's office; payment is required at the time of registration. When phoning in a registration, you will speak with the Noncredit Registration Specialist where all information will be obtained as well as payment information. Education Center held classes should call or stop into the applicable Education Center; payment is required at the time of registration. When phoning in a registration, all registration information and payment information will be obtained.
