**MINUTES**

1. The meeting was convened at 2:12 p.m., in Room 100B of the Maclay Building, by Julie Robinson, Chairperson of the Student Success Committee.
2. Recommended approval of the Minutes of the October 8, 2015 meeting.
3. John Blaylock and Amanda Nipp provided information regarding Northeast's transfer education and services that are provided to help facilitate transfer to other colleges and universities. Formal articulation agreements are in place for students to transfer both courses and programs to four-year colleges, transfer fairs are held on campus, and a transfer station is in place in the College Welcome Center. Northeast also participates in the state-wide transfer initiatives, including the Nebraska Transfer Initiative, additional common statewide courses, and the Nebraska P-16 Initiative.

Students are assigned a general advisor and a faculty advisor to aid students with the transfer process. Amanda Nipp reported that advisors have requested additional training on the transfer process.

Steve Anderson reported that transferability is a statewide issue and continues to be a regular topic of discussion during the Nebraska Community College Association (NCCA) Board of Directors' meetings.

4. With no further business to discuss, the meeting was adjourned at 2:44 p.m.
