Student Name \_\_\_\_\_ Student ID Number \_\_\_\_\_

Name of self-employed individual \_\_\_\_\_

According to our records you (or your spouse, if applicable) have not filed a 2022 Federal Income Tax Return but stated you (or your spouse) had self-employment income in 2022. We need additional information to determine if you are required to file a 2022 Federal Income Tax Return. According to IRS Publication 17, a self-employed person whose net earnings from self-employment (excluding church employee income) were \$400 or more is required to file a federal income tax return.

Please check the correct statement for your situation:

\_\_\_\_\_ My 2022 net earnings from self-employment income were less than \$400 and I'm not required to file a 2022 Federal Income Tax Return.

\_\_\_\_\_ My 2022 net earnings from self-employment income were more than \$400 and therefore, I'm required to file a 2022 Federal Income Tax Return.

Note: If you are required to file per the IRS Publication 17, the Northeast Financial Aid Office will not process your application until we receive your 2022 IRS Tax Return Transcript.
