

## PUBLIC HEALTH COLLEGE TRANSFER

Students interested in pursuing academic transfer in public health to other colleges can obtain an associate of science degree from Northeast Community College. This degree includes several general education classes as well as health related elective classes that transfer easily into baccalaureate programs at other colleges and universities.

Northeast has articulated agreements with the University of Nebraska-Lincoln, University of Nebraska- Omaha, and Concordia University. Individual program plans to transfer to other four-year institutions can be developed with the help of an advisor. Students can obtain specific plans of study for these colleges from the Health and Public Services Division Dean's office.

Public Health degree seeking students are strongly encouraged to meet with an advisor regularly to ensure transferability of elective courses to student identified transfer institution.

### Suggested Program of Study for Associate of Science Degree (2 years)

#### FIRST YEAR

First Semester	
Course	Credits
ENGL 1010 English Composition I* .....	3
PSYC 1810 Introduction to Psychology* .....	3
MATH 1150 College Algebra* .....	3
BIOS 2250 Intro to Anatomy & Physiology I* .....	4
HPER 1550 Lifetime Wellness** .....	3
	<u>16</u>

Second Semester	
Course	Credits
ENGL 1020 English Composition II* .....	3
Oral Communication* .....	3
BIOS 2260 Intro to Anatomy & Physiology II* .....	4
English/Literature,*	
Fine Arts and Language,* <b>OR</b>	
Behavioral <b>OR</b> Social Science* .....	3-4
MATH 2170 Applied Statistics* .....	3
	<u>16-17</u>

#### SECOND YEAR

First Semester	
Course	Credits
HLTH 1210 Community Health Worker** .....	3
HLTH 1060 Comprehensive Medical Terminology** ...	3
Elective(s)** .....	10
	<u>16</u>

Second Semester	
Course	Credits
HPER 2310 Community Health** .....	3
Elective(s)** .....	13
	<u>16</u>
Total Credit Hours	64-65

To earn an associate of science degree, a student must satisfactorily complete a minimum of 60 semester hours that include the general education requirements.

\*See general education requirements.

\*\*Recommended electives: BIOS 2460 Microbiology, HOEC 1050 Nutrition, HPER 2300 Stress Management, HUSR 1010 Introduction to Human Services and Counseling, HUSR 2020 Social Problems, MATH 1025 Math for Health Care Professionals, NURA 1110 Nurse Aide, NURS 2100 Health Care Ethics.

*Students with appropriate placement scores are not required to take BIOS 1010 General Biology prior to BIOS 2250 Introduction to Anatomy and Physiology I or BIOS 2460 Microbiology.*
